Time Management and Undivided attention

1 Tier Application

Requirement -

1. Aisa site jisme, KalluBhaiya Dance karengne in netflix (1tier website) - Codewa Folder
2. Apna khud ka ChatGPT (1tier website) - Codewa Folder

Windows Computer

Ye webserver kya hota hai?

Webservers

Windows - IIS

Linux - nginx

Mac wale ameer log preshan na ho... Bs step ko dekhte jao..
Concept ko feel karo...

Pehle Discussion fir HLD then LLD then Implementation

Babao ka baba..
Google Baba

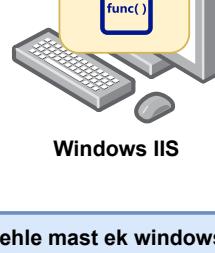

Steps
Install Draw.io and create HLD
<https://www.drawio.com/>

Ek computer chahiye - Windows ka

uspe IIS Webserver install karna pdega as a middleware

Middleware me application ka code dalne
pdega

<https://github.com/devopsinsiders/StreamFlix>

Windows IIS

Next class ke pehle mast ek windows 11 ka computer ready kar lena hai..
